Title	Maintenance Support for the Disruption Mitigation System
Log No	1

No	Ref. Document	Questions from the Tenderer		Answers from the IO	
		Contents	Date	Contents	Date
1	Technical Specifications_638EWS_v1.0 / PIN	We would like to understand if the person/company that will be selected for this expertise needs to work at ITER or if we can we work from our offices.	13-Sep-22	We will require the expert to be working closely together with the team in person at the ITER site. The expert is expected to be able to come In-Site on short notice in case of teleworking.	14-Sep-22
